DB System

Moving the digital future. Together.

Why join our SCALE.UP STATION?

DB Group offers global mobility & logistic services and operates in over 130 countries world-wide. We offer access to our multi-billion DB market and IT infrastructure.

We are looking for partners that excite our customers providing digital solutions for innovation at DB Group.

- ▶ Win one of the largest mobility&transportation companies as a customer
- ▶ Get access to the IT infrastructure of Deutsche Bahn
- ▶ Be part of our large network of experts and partners
- ▶ Retain your intellectual property
- ▶ Profit from the large variety of DB's business areas
- ▶ Use the DB brand becoming a reliable global player

What's in it for me?

We offer fast lane access to DB Group businesses. You will learn about the travel&transportation industry, extend your network, meet key decision maker, exchange experience with other DB startups, validate your solution and scale your business.

Network

- ▶ Get connected to sales consultants, business decision makers and industry experts and startups

Explore

- ▶ Learn about the variety of DB Groups business and customer segments

Grow

- ▶ Validate and develop your solution. Use our multi-trillion Euro market to scale your business

Sell

- ▶ Integrate your product with our IT ecosystem and sales platform to be ready to sell
