

DB System GmbH

99085 Erfurt | Schlachthofstraße 80 | Germany

How to reach us:

By public transport:

From the main station take bus line 9 for Nordbahnhof, alight at Steinplatz and continue in the same direction on foot to the next traffic-light junction. Turn right onto Schlachthofstraße, and after two minutes you will see the building shared by DB System and an Opel car dealership.

From the airport, take bus line 99 outside Terminal B to the main station (Hauptbahnhof). From the main station follow the directions above and take bus line 9 to Schlachthofstraße. As buses do not leave the airport very regularly, taking a taxi is recommended if time is an issue.

By car:

Coming from the west on the A4, take the Erfurt-West exit and continue on the B4 towards Erfurt as far as the Kaffeetrichter junction. Here, turn right onto the B7/Stadtring (ring road) and follow the signs for "B7 Weimar" (Schillerstraße, Weimarische Straße). After around 1 km, at the Schmidtstedter Südknoten junction turn left into the railway underpass and continue along Stauffenbergallee/Stadtring for some 1.5 km until the junction for Sömmerda. Turn right and leave the ring road. Go straight ahead at the next junction (Steinplatz), then take the first road on the right, Schlachthofstraße. On the righthand side of the street you will see the building shared by DB System and an Opel car dealership.

Coming from the east on the A4, take the Erfurt-Ost exit and follow the signs for Erfurt or Zentrum. At the Schmidtstedter Südknoten junction turn right into the railway underpass to join Stadtring (ring road). Continue along Stadtring until the junction for Sömmerda, then turn right and leave the ring road. After about 150 m, turn right at the traffic-light junction onto Schlachthofstraße and continue to the building shared by DB System and an Opel car dealership.
