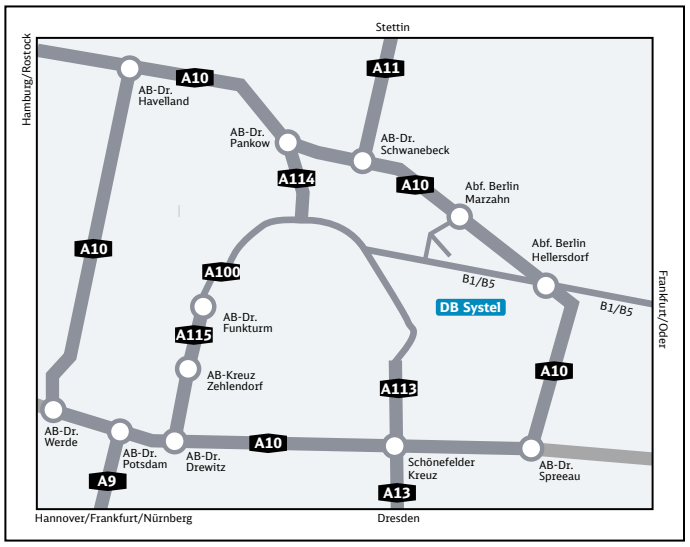
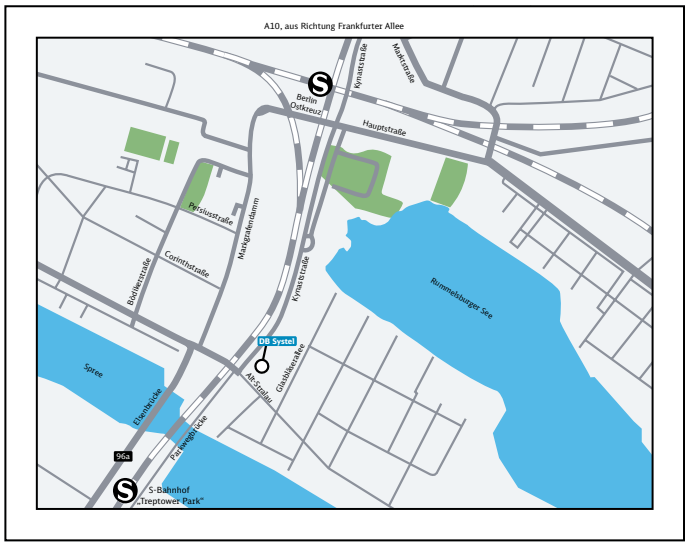
DB Systel GmbH

10317 Berlin | Kynaststraße 1 | Germany





How to reach us:

By public transport:

Walking distance 5 min (recommended)

Travel to „Treptower Park“:
Ringbahn (S42 / S41), S9, S8, S85. Leave the S-Bahn station in the direction of the park (not the street) and turn directly left. Run over the pedestrian bridge and cross the following intersection. The Digital Campus is then already in visibility on the right-hand side.

Walking distance 10 min

Travel to „Ostkreuz“:
S3, S5, S7, S75, Ringbahn (S42 / S41), RE1, RE2, RE7, RB14, RB12, RB25, RB26. Go to the exit „Hauptstraße“. When you reach the bottom, turn left for a moment, then right – there you will find Kynaststraße.Follow this to the end – on the way you will run past the entire long new building.

From the airport BER you can go to „Treptower Park“ (S9) or „Ostkreuz“ (FEX, RB14).

By passenger car:

A10 from Hamburg/Rostock/Stettin and Dresden motorway exit Hellersdorf onto B1/5 towards Berlin. Turn left at the Frankfurter Allee/Gürtelstraße junction and continue straight on. At the intersection Gürtelstraße/Neue Bahnhofstraße turn right and drive into Kynaststraße. Relatively at the beginning of the long building is the approach to the underground car park.

Free parking is not available; paid parking is available.
